

K-LOVE is the only radio station that my family listens to for safe, family-oriented music. We very much appreciate K-LOVE and its family-friendly programming. K-LOVE supports wholesome values and has a positive affect on our family and community.

K-LOVE is the only local radio station that carries 24-hour family-oriented music. If K-LOVE were to be displaced by a LPFM broadcaster, our local community would be greatly affected, and would suffer a significant loss in safe, family-oriented music that is much needed in this area.

Due to the lack of safe, family-oriented music in this area, it is in the public interest to keep the service provided by K-LOVE and not allow a LPFM to displace it.
